All the artists on this CD would like to thank
 Madonna and all her producers and song writers.
 Without the original material that is beyond
 remarkable, we would not have been able to
 make this CD possible. THANK YOU.

IMMACULATE DECEPTION

A Tribute To The Music Of Madonna

Madonna and her music has touched us all. A great song no matter what the style is a great song. On this CD you will not find exact cover versions of these songs. What you get are the songs re-done in the style of the artist. Everything from Reggae to Rockabilly, Rock to Electronica.
