On My Mind and In My Heart were written and recorded in the past two years in a casual environment simply for the pleasure of making music. What started out as a way to document some of my songs has turned into two recordings. While In My Heart features songs about love, life, and dreaming, On My Mind features songs about hope and concern for our World. A nation at war, questionable leadership, and a fluffed up media dominated by corporate interests. It feels like we are at the mercy of unseen forces where the truth is sometimes difficult to find. I hope you enjoy these songs of illumination and hope for our world as much as we enjoyed making this recording.

Special Thanks to: Ann Blevans, Pat Giurbino, Ashley Matthews, Jillian Matthews, Seanda Pugh,
The Relatives, Jennifer Samusick, Dino Santilli, David Webb and the Boo Girl.

"I Saw the Paper" is dedicated to my good friend and fishing buddy, Craig Yoneda.
Whatever crazy idea I had, he was right there as my wing man. I miss you.

This recording was made with Fender, Gibson, Ibanez, Takamine and Rainsong Guitars
