All the artists on this CD would like to
thank Mr Neil Diamond for being the
greatest songwriter of our time.
Without the original material being as
great as it is, we would not have been
able to make this CD. THANK YOU.

Dedicated to the Loving Memory of Queen Mary Jean

YOU ARE HOLDING A FINE PIECE OF SONIC ZIRCONIA. IS IT DIAMOND?
NO. BUT IT IS SHINY AND FUN TO FLAUNT IN FRONT OF YOUR FRIENDS.
WHAT YOU HAVE HERE ARE THE SONGS RE-DONE IN THE STYLE OF THE ARTIST.
EVERYTHING FROM POWERPOP TO AMERICANA, PUNK TO ELECTRONICA AND
EVERYTHING IN BETWEEN. THE VAST VARIETY OF STYLES ON THIS CD SHOW HOW NEIL
DIAMOND HAS INFLUENCED ALL ELEMENTS OF MODERN POPULAR MUSIC.
